Parents/guardians or persons authorized to pick up your child must sign the child in and out of camp each day on the designated sign in/out sheet. Authorized persons must be on the pickup list. Anyone picking up a child must show a driver's license or photo ID. This is for the safety of your child.

Parents/guardians shall be afforded equal access to their child as provided by law. The ALC cannot, without a certified Court Order, limit access of one parent/guardian by request of the other, regardless of the reason. Should a situation present itself wherein one parent/guardian does not wish the other have access to their child, the concerned parent/guardian should keep the child with them until a certified Court Order can be obtained. The ALC's rights to retain a child are secondary to the other parent's/guardian's rights.

EMERGENCY PHONE CALLS

We have a phone system in place in the event that you need to contact a staff member in an emergency. The phone number will be posted and available the first day of camp. Please respect that this number is for emergencies only such as illegal pickups, dangerous situations and such. Please call AND text these numbers. These numbers will be available at the start of camp. Use the voicemail extension 603-882-9080 X2320 for all other needs. This voicemail extension is checked periodically throughout the day.

STUDENT DRESS

Children may not wear clothing that advertises alcohol or tobacco, contains profanity, or promotes the use of illegal substances. Should this happen, the parent/guardian will be called to bring in a change of clothes or pick their child up. "Flip-flops" are not allowed at camp. Shoes/sandals must have a back to keep them on your child's feet.

Camp T-shirts/tank tops must be worn on trip days. NO T-SHIRT/TANK...NO TRIP...NO EXCEPTIONS! We will notify you of trip changes as soon as possible. All children attending camp on trip days are expected to go on the trips. No staff remains at camp.

SUNSCREEN

It is strongly recommended that parents apply sunscreen to their child prior to arriving at camp each morning. New Hampshire Childcare Licensing requires written permission from parents/guardians to allow sunscreen be kept at camp for application during program hours. Adventure Camp does **NOT** supply sunscreen. Please provide sunscreen in the original container labeled with your child's name (spray is preferred for easy application). Staff members will have children reapply sunscreen multiple times throughout the day. If your child is particularly sensitive to the sun, a hat and SPF clothing may also be appropriate. In this case, please remind your child to keep his/her hat on throughout the day.

SWIMMING

All children walk to Crown Hill Pool for private swim time on Mondays, Wednesdays and Thursdays. At the pool, safety is our number one priority. We will have trained lifeguards on duty at all times as well as our own staff to supervise children. The State Parks provide lifeguards.

A swim test must be passed in order for children to swim past their belly button. Children must be able to swim the length of the pool and tread water for one minute. Adventure Camp staff members reserve the right to make the decision if a child demonstrates the skills to pass. Staff members will remove a child from the pool if they are not being safe. Children are welcome to retest each Monday.

All children attending camp on field trip days are expected to go on the trips. Please remember that there is no care for children who do not attend the field trip. Children will remain seated, sitting on their bottoms, until they reach their destination and the bus has stopped. Unacceptable behaviors include but are not limited to: excessive noise, profane language, obscene gestures, fighting or other acts of physical or verbal aggression, throwing things on, or out of the bus, or anything that would create a safety hazard for the other passengers. Emergency doors are for emergency use only. Vandalism or defacing the bus is not acceptable and will be reported to the appropriate authorities. Children are expected to sit three per seat if necessary per New Hampshire state law. Aisles and emergency exit doors are to remain clear at all times. Bus drivers are responsible for safe bus operation and their decisions and request are to be followed. Riding on the bus is a privilege and will be taken away if rules are not followed.

ELECTRONICS

Our electronics policy is designed to encourage your child to spend more time enjoying all the activities camp has to offer, give your child a much needed break from to world of technology, and ensure your child is not exposed to inappropriate material. Adventure Camp is a screen free zone.

- Children are NOT permitted to have a cell phone at camp.
- Children are NOT permitted to have Apple watches, Fitbit, Garmin, etc. Any watch or wearable activity-tracking device is strictly prohibited.
- Children are NOT permitted to have laptops, netbooks, iPads, eReaders, Gameboys, PSPs, Nintendos, DSs, etc. Any electronics that give access to the internet while at camp are not allowed. We have plenty of board games and card games that will allow children to socialize and interact with one another.

Prohibiting electronics at camp allows children to develop independence and a strong sense of self. It allows them to make new friends, take responsibility for themselves, and learn how to problem solve. We believe being at camp is an opportunity for your child to experience a world beyond home.

TOYS

Adventure Camp does not allow toys from home to be brought to camp. This includes Pokémon/trading cards, Legos, etc. as they can get lost, stolen or broken. Camp does not assume responsibility for lost, stolen or damage items brought from home.

CHILD ABUSE AND NEGLECT

New Hampshire State law requires all Adventure Camp staff to report suspected cases of child abuse or neglect to the proper authorities.

SEXUAL HARASSMENT

Sexual harassment is a serious problem at all educational levels. Any adult language or actions that are exhibited by a child that cause a feeling of an offensive or intimidating environment will not be tolerated. It will result in an immediate suspension. If there is a second offense, it will result in disenrollment from the program.

PARENT/GUARDIAN COMMUNICATION

There will be weekly updates posted on our parent information board to keep you informed of our activities or any changes in the camp program such as fieldtrip information. Parents/guardians are encouraged to make themselves aware of such updates by regularly checking the information board and watching for special notices posted. Please also check out our Facebook and Instagram postings for insight to your child's activities during our camp day!

PARENT/GUARDIAN CODE OF CONDUCT

Parents/guardians and our staff members are role models for children and must therefore act accordingly. At no time is it acceptable for a parent/guardian or any other adult to engage in an argument or threaten our staff who works with the children. - Physical punishment of children
- Verbal abuse, yelling, swearing or cursing
- Threatening staff, other parents, or children
- Smoking
- Quarreling with other parents or staff
- Disciplining other people's children

BEHAVIOR MANAGEMENT

- The philosophy of the ALC's Adventure Camp program focuses on caring, honesty, respect and responsibility. We want every child to be successful in our camp. We strive to provide all children with a safe and positive camp experience and encourage children to interact positively with other children and staff and make good choices. It is important that we value each child as an individual. Should a discipline problem arise, we will handle each situation on an individual basis. Staff are trained to provide guidance and support when addressing a disciplinary issue.
- Behaviors that are contrary to our standards will not be accepted. Examples of this include but are not limited to are disrespect, teasing, taunting, name calling, profane language or swearing, using language or actions sexual in nature, continuous disruption/uncooperative behavior, consistently disregarding the rules and authority of the staff, vandalism, bullying, encouraging others to exclude a child from the group, or causing harm to his or herself, another child or a staff member.
- Our staff will document any threat a child makes to bodily harm another child or staff person. We are required to take these threats seriously. Any threat may result in a suspension from the program.
- Violent behavior will result in an immediate suspension.
- If a child bites another child or a staff member, they will be suspended for 3 days. If there is a second incident, the child will be terminated from the program.
- If a child purposely runs away from the program, the parent/guardian will be contacted immediately. We will attempt to retrieve the child without compromising the safety of the other children. If the child leaves the building, the police will be called and the child may be terminated from the program.
- Should a child cause damage to any property as a result of inappropriate activity or behavior during Adventure Camp program hours, the ALC reserves the right to charge the parent/guardian for any and all costs necessary to repair or replace the damaged items or property.
- If a child's behavior proves to be consistently disruptive or unacceptable, demands consistent individual attention or requires supervision to the level that the entire group is

compromised, the parent and/or legal guardian will be informed and the child issued a warning. Should the disruptive behavior continue, it will result in a day off from our program. No refunds will be issued. If all attempts to correct the child's behavior fail, the program reserves the right to terminate the child's enrollment. When appropriate, a one week notice of termination will be given to the parent/guardian.

- If a child's actions poses an imminent serious safety risk to the child or others that could result in serious bodily harm, or inflict damage to property which will create a substantial risk of serious bodily harm to the child or others, the child care staff may provide physical intervention in accordance with Child Care Licensing Rule He-C 4002.18(g). This includes moving the child to another area, holding the child as gently as possible and as briefly as necessary to protect the child and others.
- Our staff will inform parents/guardians of any disruptive or unacceptable behaviors that occur. Parents/guardians are encouraged to discuss better ways to deal with the situations that transpired with their child. If there are questions or concerns regarding any incident involving your child, our staff will be happy to discuss them with you at an appropriate time, in person or via telephone. As with any disagreement, viewpoints of the people involved may vary greatly. If a mutual resolution cannot be reached, you are encouraged to speak with the Adventure Camp Coordinator. Please remember that at no time is it acceptable for a parent, legal guardian or any other adult to engage in an argument or threaten our staff who work with the children. Examples of such behavior include but are not limited to: loud voices in front of the children, profane language or threatening physical harm. This type of behavior could result in your child's termination from our camp. program
- The ALC reserves the right to suspend or terminate the enrollment of any child when the safety of the other children or staff is compromised, the child has run away, a repeat offender, or it is in the best interest of the program. No refunds will be issued.

STATE OF NEW HAMPSHIRE BUREAU OF LICENSING

The licensing authority for this program is the bureau of licensing and certification, childcare licensing unit. Childcare programs are required to post a copy of the statement of findings and corrective action plan for the most recent visit in a location, which is accessible to parents, and must maintain copies of the statement of findings and corrective action plan for the preceding visit and make them available for parents to review upon request. Statement of findings and corrective action plans are also available online at:

<https://nhlicenses.nh.gov/verification/Search.aspx?facility='Y':>

or by calling the unit at 603-271-9025; or 1-800-852-3345 ext.9025. During visits to programs, licensing staff speak with children regarding the care they receive at a program if in the judgement of the licensing staff the children's response would be valuable in determining compliance with licensing rules. Licensing staff are experienced in working with children and trained to speak with children in a manner that is respectful and non-leading. Children will remain with their class or group during these conversations with licensing staff, and at no time will a child be forced to speak with a licensing staff.

If licensing staff believes your child may have specific information regarding an alleged event at the program, and determines that it is best to interview your child separately and not with their class or group, please indicate your preference among the following options:

- a. I give permission for child care licensing staff to interview my child at the child care program separate from his or her class or group;
- b. I wish to be notified prior to child care licensing staff interviewing my child at the child care program separate from his or her class or group;
- c. I do not give my permission for childcare licensing staff to interview my child at the childcare program separate from his or her class or group.
