**NOTE TO PARENTS AND/OR GUARDIANS**

The licensing authority for this program is the childcare licensing unit (CCLU) within the bureau of licensing and certification in the department of health and human services. Childcare programs are required to post a copy of the most recent statement of findings (SOF) and the corresponding corrective action plan (CAP) in a location which is accessible to parents, and programs must maintain copies of the most recent SOF with CAP and make them available for parents to review upon requests. SOFs and CAPS are also available on-line at: [https://newhampshire.my.site.com/nhccis/NIH\\_ChildCareSearch](https://newhampshire.my.site.com/nhccis/NIH_ChildCareSearch) or by contacting the unit at [colunit@dhhs.nh.gov](mailto:colunit@dhhs.nh.gov) or 603-271-9025.

WHAT WE DO: The CCLU regulates and oversees child day care programs for compliance with licensing rules, A licensing coordinator conducts a yearly, unannounced monitoring visit at every program, as well as an unannounced visit prior to the expiration of a license every three years. CCLU also investigates allegations of non-compliance with licensing rules. Information about CCLU can be found on our website: <https://www.dhhs.nh.gov/programs-services/childcare-parenting-childbirth/child-care-licensing>.

CONVERSATIONS WITH CHILDREN - MONITORING VISITS: During routine monitoring visits, the Licensing Coordinator (LC) informally speaks with children to ask general questions about their day-to-day experiences in the childcare program, using developmentally appropriate speech and language. The conversations and interactions take place while children are engaged in their daily routine with their class or group, at no time will a child be forced to speak with a LC. CONVERSATIONS WITH CHILDREN - COMPLAINT INVESTIGATIONS: During visits to investigate a complaint, if the LC believes your child may have relevant information, and that it would be best to interview your child separately, away from their class or group, the LC will ask the classroom staff which children they may interview, based upon your choice below. If you wish to be notified prior to an LC speaking with your child, the LC will contact you for permission to speak with your child either at the program but away from the group, or arrange a date, time, and location with you to speak with the child. If you approve the on-site conversation with your child, the LC will ask staff to recommend a place in the program. The LC will introduce themselves, ask your child their name, and explain that their job is to make sure childcare programs are safe. The LC will ask your child if they want to talk to the LC about their childcare. The LC will ask open-ended, non-leading questions, and at no time will your child be forced to speak with the LC.

The LC will ask children questions such as routines for snacks/lunch, handwashing, outdoor play, the rules, what happens when a child breaks a rule, rest/nap, fire drills, and what they like/dislike about childcare.

Based upon the information above, please indicate your preference:

- I give permission for childcare licensing staff to speak with my child while with their class or group.
- I give permission for childcare licensing staff to interview my child at the childcare program separate from their class or group.
- I wish to be notified prior to childcare licensing staff interviewing my child at the childcare program separate from their class or group.
